# Monthly Inspiration Evenings at Pentacle

Two hours of **leading edge**  
**Thinking** and Discussion  
 at a Pentacle venue near you

INSPIRATION MONTHLIES  
*Pentacle Monthly Events*

*What is an Inspiration Monthly?*

Two hours (1800 to 2000 UK) on the **Third Thursday** of each month, when you can sit around with stimulating people and be provoked, challenged and enlightened by the Pentacle Team.

*How much will it cost?*

If you've received a personal invitation, it will cost you **NOTHING!** Just bring your brain with you. Otherwise, ask your local host.

*Why should I participate?*

Because it will be a brilliant opportunity to learn **pragmatic** ways to **deal with your challenges** and to reflect and share your experiences with a fantastic group of people.

*Is it just a networking opportunity?*

No, not *just* networking. There will be facilitation and members of the Pentacle Team present who will share with you the most up-to-date Thinking and Practice in NewWorldManagement†.

*Who else will be there?*

Pentacle clients, leading thinkers and generally fun, interesting and practical people.

*What will we be doing?*

Half an hour of **sharing issues**, half an hour of **input** from the session leader, followed by an hour of sharing **conclusions** and **practical actions**.

*What topics will be discussed?*

Inventing the future, delivering tomorrow, delivering today, ensuring results and leading organised talent.

*Where will the inspiration happen?*

Select the Pentacle location which is most convenient for you. The inspiration will occur simultaneously in the UK, USA, France, Germany, The Netherlands and South Africa.

*What do I do next?*

Register or tell us when and where you would like to join.
