INSPIRATION MONTHLIES
Pentacle Monthly Events

What is an Inspiration Monthly? Two hours (1800 to 2000 UK) on the **Third Thursday** of each month, when you can sit around with stimulating people and be provoked, challenged and enlightened by the Pentacle Team.

How much will it cost? If you've received a personal invitation, it will cost you NOTHING! Just bring your brain with you. Otherwise, ask your local host.

Why should I participate? Because it will be a brilliant opportunity to learn **pragmatic** ways to **deal with your challenges** and to reflect and share your experiences with a fantastic group of people.

Is it just a networking opportunity? No, not *just* networking. There will be facilitation and members of the Pentacle Team present who will share with you the most up-to-date Thinking and Practice in NewWorldManagement†.

Who else will be there? Pentacle clients, leading thinkers and generally fun, interesting and practical people.

What will we be doing? Half an hour of **sharing issues**, an hour of **input** from the session leader, followed by half an hour of sharing **conclusions** and **practical actions**.

What topics will be discussed? Inventing the future, delivering tomorrow, delivering today, ensuring results and leading organised talent.

Where will the inspiration happen? Select the Pentacle location which is most convenient for you. The Inspiration will occur simultaneously in the UK, USA, France, Germany, The Netherlands and South Africa.

What do I do next? Register or tell us when and where you would like to join.
